Dear Sirs,

We are informed by the Custodian of Enemy Property, Madras, that he has already written giving you notice of a vesting order issued by Govt. vesting in him the undernoted shares.

We are now instructed by the Custodian to sell these shares and, in order to obviate any possible error, we shall be glad if you will kindly compare the undernoted particulars with your share register and confirm their accuracy. Of course The Custodian does not hold any share Certificates and it is necessary therefore that this confirmation be received before we pass any Contracts, selling on his account shares which may possibly not exist.

In this connection we would refer you to Act X of 1916, Section 9 on Page 10 of the 6th.Edition of "Legislation and orders relating to the war " which requires you to accept Transfer deeds signed by him for transfer notwithstanding that the Transfer is not accompanied by the relative Scrip.

Please return the enclosed list to us.

Your very early reply will much oblige us.

M A D R A S.

Dear Sirs,

We have to thank you for your letter of the 14th. instant in reference to certain shares held in this company by Mr. C. F. A. Brill and have in reply to point out to you that this is a Mysore Company with its registered office in the Mysore State. The British India Act you quote does not apply to the Mysore State. which has passed its own orders as to enemy property.

The Custodian of Enemy Property, Madras, has therefore no apparent authority to deal with these shares, which can only be transferred under the orders of the Mysore Government.

As far back as September, 1916, we replied to a question on this subject from Messrs. Binny & Co., Ltd., Madras, and requested them to communicate our answer to the Custodian of Enemy Property, Madras. They no doubt did so.

We return the particulars you send, about which we can. of course, say nothing.

We are, Dear Sirs,

Yours faithfully,
